CAREER OBJECTIVE

Motivated MCA graduate with strong knowledge of Core Java, JDBC, Hibernate, Spring, and Spring Boot. Looking for an opportunity as a software developer to apply my skills and contribute to real-world projects.

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript
- **Web Technologies:** HTML5, CSS3
- **Database:** SQL
- **Core Concepts:** Object-Oriented Programming (OOP), Exception Handling, Collections Framework
- **Frameworks:** JDBC, Hibernate ORM, React (Basics)
- **Database Concepts:** CRUD Operations, Joins, Queries
- **Development Tools:** Visual Studio Code / Eclipse IDE

ACADEMIC PROJECTS

1.City Bus Pass Management System

Tech Stack: Java | Hibernate | MySQL | HTML | CSS | JavaScript

- Developed a multi-role web application for Passengers, Conductors and Admins with role-based access control and session management using Java and Hibernate ORM.
- Implemented auto pass expiry alert system notifying passengers 5 days before expiry using Java LocalDate logic and fare calculation engine supporting 4 pass types with discounts up to 60%.
- Mapped entity relationships across User, Pass, Route and Validation tables using Hibernate ORM with cascading operations and complex association mappings.

2.Library Seat & Study Room Booking System

Tech Stack: Java | JDBC | MySQL | HTML | CSS | JavaScript

- Built a real-time seat booking system with time slot conflict detection using SQL BETWEEN operator to prevent overlapping reservations.
- Implemented auto seat release logic that frees a booking if student fails to check-in within 15 minutes using JDBC timestamp comparison.
- Developed fine management system for no-show students and librarian analytics dashboard showing weekly seat usage trends using JavaScript charts.

EDUCATION

1.Master of Computer Applications (MCA) — Aurora Post Graduate College, Hyderabad | 2024–2026|CGPA:8.21

2.Bachelor's of Science(BSc.Computer Science) — University Post Graduate College, Hyderabad | 2021–2024 | CGPA: 8.24

CERTIFICATIONS

QSpiders Software Training Institute, Hyderabad: Completed Java Full Stack Development training with practical experience in Java, JDBC, Hibernate, SQL, HTML, CSS, and JavaScript, including building database-driven web applications.
